## MISSION STATEMENT

We, the Catholic faith community of St. Teresa of Avila parish, guided by the Holy Spirit, commit ourselves to proclaim and follow the Good News of Jesus Christ. Basing our lives on faith, hope and love, we seek to meet our needs and the spiritual and corporal needs of those around us. It is our humble prayer that our lives will be visible signs of His presence in the world as we celebrate Christ in His Word and Sacraments.

The Epiphany of the Lord

"Where is that thing?" mumbled Bob as he searched frantically on his dimly lit desk for the current electric bill. "I know I put it right on top of these papers this morning!" Growing in frustration and bordering on anger, he flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, "Maybe it would help if you put the light on, dear." The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life, relationships, happiness, and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

"And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was." The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God's tender wedded relationship with humanity. It speaks to the expanse of God's salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. We have a lot of Good News to share, not just with a privileged few but with all the world. All races and creeds can receive God's healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!

 A resourceful missionary fell into the hands of a band of cannibals. "I suppose you're going to eat me," said the missionary. "Actually, you wouldn't like me." He took out his pocketknife, sliced a piece from the calf of his leg and handed it to the chief. "Try it and see for yourself," he urged. The chief took one bite, grunted, and spat. The missionary remained on the island 50 years. He had a wooden leg.
